" Richards, M.C.

I Greek Drama Selected reading from the plays of Aeschylus, Sophocles, Euripides, Aristophanes, Menander.

Tues. Fri. 10:45 -12:30

II I would like to work individually and informally with persons interested in writing (any kind of writing). Also I want to help elaborate a relationship between writing and the print shop, and to develop further the possibilities in the informal writers' group.

(If anyone wants to list his work in writing as a 'course' for 'credit', he should arrange with me)."
